

College of Medicine Parental Leave Grant Application Form

A College of Medicine graduate student may apply for financial assistance during a leave to serve as the primary care-giver immediately following the birth or adoption of a child. Applicants must hold a minimum funding level of \$16,000/yr, receive an approved leave from the College of Graduate and Postdoctoral Studies, and have supervisor support in order to be eligible.

Master’s students may apply within the first two years of their program, and Doctoral and Doctoral transfer students may apply within the first five years of their program. Applicants must intend to return to full-time studies following the leave.

Amount: \$4000/6 month period. Paid via monthly installments. Renewal once for a total of \$8,000 per student per academic program.

Applicant Name:		Graduate Program:
